

# Gulf Christian College

*Creating Opportunity*

Gulf Christian College is a remote, isolated school in the far north Queensland town of Normanton. The school is home to 54 students from Prep to Year 7, of which 70% are indigenous.

We are committed to providing the best possible education, promoting a healthy life-style and a love of learning in a culturally rich environment.

---

To do this we require your **HELP!**

- our students need the best specialist teachers in literacy and numeracy, in speech therapy and in learning support
- our students need the best educational resources to support their learning
- our students need access to information technology
- our students need sporting facilities and opportunities to maximise their potential to build confidence, teamwork, leadership and dedication

All of this takes finances as well as a shared belief in their future as valued members of our Australian society. We are asking for your help through direct sponsorship or a donation to our Gulf Christian College Bursary Fund or Building Fund.

Please see inside for the applicable forms. Thank you, in anticipation of your generosity.

Jake Randall, Principal

# Gulf Christian College Building Fund

Thank you for partnering with us in creating opportunities, for children in the Gulf district, by making a contribution to the Gulf Christian College Building Fund.

The GCC Building Fund has been established to provide facilities for our students that ensure they have access to a good education, a healthy life-style, a love of learning and a desire to use educational opportunities to achieve their goals.

***All contributions are fully tax-deductible.***

Please complete the details below and return or post to the College office.  
We thank you for your generosity.

Jake Randall, Principal
