### Fee Related Issues

Gulf Christian College is committed to making education accessible, and we offer funded education options to support families. The College Board wishes to emphasise that financial reasons should not be a barrier for families who choose to send their child/children to Gulf Christian College. We encourage all families to speak with the Principal at time of enrolment, to discuss available support. All information provided is strictly CONFIDENTIAL.

When a parent wishes to withdraw a child/children from the College, there is an expectation that families will provide as much notice as possible. If families are considering leaving due to financial reasons, they are encouraged to contact the Principal who has the discretion to provide fee assistance.
