WELCOME TO GULF CHRISTIAN COLLEGE

Welcome to Gulf Christian College, an independent school in Normanton. We are located in the Gulf Country region of north-west Queensland, just south of the Gulf of Carpentaria, on the Norman River.

Gulf Christian College (GCC) was established in 1986 and has developed an excellent reputation for providing a Christian education to the children of Normanton and the surrounding districts for more than 30 years. As a co-educational school, GCC caters for students from Prep to Year 9.

Our passion is to create opportunity for every child through a quality education as we assist them to reach their full potential.

Join us in supporting the Breakfast Club at Gulf Christian College (GCC), an essential service that provides a healthy and nutritious meal to students in need. Open to all students of the college, the Breakfast Club serves approximately 20 students per day, ensuring that no child starts their day on an empty stomach.

More than just a meal, the Breakfast Club fosters a supportive and inclusive environment where students can enjoy their morning meal without any stigma or embarrassment. By removing barriers to access, we aim to build strong relationships between students and staff, promoting a sense of belonging and trust within the school community.

In addition to providing nourishment, the Breakfast Club plays a vital role in the pastoral care and support offered to all students at GCC. Through this program, we create a safe and positive space where students can thrive both academically and emotionally.

Your sponsorship will not only help sustain the Breakfast Club but also enable us to expand our services, including offering free lunches to students who come to school without food. By investing in the well-being of our students, you are investing in the future of our community.

BREAKFAST CLUB

MONDAY TO FRIDAY

7.45am to 8.15am.

COST TO COLLEGE

\$300 per week includes staff wages and food.
